Devin Henderson

A multi-talented powerhouse: an author, experienced presenter and seasoned performer, Devin Henderson has logged thousands of performances as an award-winning comedian and magician, and in-demand keynote speaker over his nearly two decade professional career. Devin's passion is using his unique talents and experiences to inspire individuals and organizations to discover their greatest potential and keep going no matter what.

In 2014, Devin was honored when *America's Got Talent* invited him to audition in Hollywood for Howard Stern, Heidi Klum, Mel B and Howie Mandel after the producers saw videos of his magic performances on YouTube. Although he did not pass the audition and the segment never aired, it was an amazing and pivotal moment in Devin's career and life. The *America's Got Talent* let-down, coupled with other competition losses, helped shape the message he now shares with his audiences about accepting disappointing experiences as teachable moments and springboards to something greater.

Anyone who meets Devin soon learns there are always new levels of potential available to them, and achieving greatness in work and in life requires commitment, risk, perseverance and is a daily, on-going process. Devin helps people define and strive for their best all while maintaining positivity, humility, a sense of humor, and most importantly, a vision for new possibilities. To share this message, Devin's keynote includes a unique combination of magic, storytelling, and audience interaction that audiences have called "unreal," "unexpected," and "unforgettable." 🍷
